Today's Reading

Luke 15:20-24; 31-32

20. So he sent off and went to his father. But while he was still far off, his father saw him and was filled with compassion; he ran and put his arms around him and kissed him. **21.** Then the son said to him, 'Father, I have sinned against heaven and before you; I am no longer worthy to be called your son.' **22.** But the father said to his slaves, 'Quickly, bring out a robe-the best one-and put it on him; put a ring on his finger and sandals on his feet. **23.** And get the fatted calf and kill it, and let us eat and celebrate; **24.** for this son of mine was dead and is alive again; he was lost and is found!' And they began to celebrate.

31. Then the father said to him, 'Son, you are always with me, and all that is mine is yours. **32.** But we had to celebrate and rejoice, because this brother of your was dead and has come to life; he was lost and has been found.'"

DEVOTIONAL

Always Prepared

Becky Thompson

When we think of the word prepared, what comes to mind? We probably think about having the right equipment or knowledge or attitude. Preparation looks different for all of us, but I'd define it this way; preparation is the soul of success.

When it comes to being a dad, we have prepared all of our lives for the opportunity to lead, guide, and direct a family. It's our responsibility and we know it. Whether or not we were raised in a home where our dad prepared every day to make a way for the family, we feel the weight of it for ours. We want to be able to say that with Christ's help we've done our best in all circumstances that day. That we've left nothing out. That when the lights are out, and it's quiet, and just before we fall asleep, we know that this day, and everything else associated with it, is complete. Isn't that what we really want? That's why we prepare.

Scripture reminds us in Proverbs 16:9, "A man's heart plans his way, but the Lord directs his steps." We must understand here that it is the Lord who provides the goal, sets the vision, and determines the outcome. While we can and should make our plans, no plans should be made without the heavenly Father's influence. So also, while we do our part to prepare our lives, we cannot overlook the importance of looking to God to prepare our hearts and minds. He knows what's up ahead. We bring our best offering. He takes the desires of our hearts and wraps them in wisdom and grace. Together we can face anything.
