Devotional

As the world becomes darker and filled with more evil, remember that you are the light of the world. Don't waste your time or energy being upset about things you can't control. Pray about those things, but don't let them drag you down. Instead, focus on doing what you can to brighten the place where I've put you. Use your time and your talents to push away the darkness. Shine My Light into the world!

I am the true Light that shines on-even in the most terrible conditions and situations. Your light starts with Me. It travels through you and then shines on to others. I created you to reflect My Glory and perfection. You do this best when you become more and more like the person I designed you to be.

Spend plenty of time with Me. Think about My Presence, which is always with you. And learn My Word, which will help you grow and understand how I want you to live. The time you spend with Me will feed your soul. It will comfort and encourage you. And through it, I'll not only give you strength, I'll also help you make others strong.

Today's Reading

Colossians 3:1-4 NASB

1 Therefore, if you have been raised with Christ, keep seeking the things that are above, where Christ is, seated at the right hand of God. **2** Set your minds on the things that are above, not on the things that are on earth. **3** For you have died, and your life is hidden with Christ in God. **4** When Christ, who is our life, is revealed, then you also will be revealed with Him in glory.
