TODAY'S THOUGHT

People don't drift toward holiness,
they drift toward compromise and
call it tolerance, and drift toward
disobedience and call it freedom.

13. Therefore gird up the loins of your mind, be sober, and rest your hope fully upon the grace that is to be brought to you at the revelation of Jesus Christ; **14.** as obedient children, not conforming yourselves to the former lusts, as in your ignorance; **15.** but as He who called you is holy, you also be holy in all your conduct, **16.** because it is written, "Be holy, for I am holy."

DEVOTIONAL

Struggling to Start

Often times we struggle to start something. It could be as simple as folding laundry or tackling the "Honey Do List." We all do it even if we are great self starters. The biggest thing that we struggle with, is studying our Bibles. It is a large book and often feels like a huge hurdle to undertake. I have used the excuse and heard it from others that their isn't enough time in the day to study properly. Either we're tired in the morning and have to much to do to get ready for the day or we are too exhausted in the evening to try and read, let alone retain what was even read.

Yes, it is difficult, but what we find is that when we determine that something is important we tend to get that "something" done. So many times we prioritize anything and everything over sitting and reading the Word of God. When Jesus was asked what the greatest commandment was, he did not say to put God on the back burner. He said "You shall love the Lord you God with ALL you heart, with ALL your soul, and ALL your mind (Matt. 22:33-42)." There will always be something that is fighting for our attention, whether it is children/grandchildren, sports and sporting events, the job, nagging customers, or a leaky roof we need to remember that none of that matters if we do not have God as our number one priority. What we allow to distract us is what we allow to come before God.

Do not misunderstand, there are things in this life that are pressing and important and needs to be handled in a timely manner, but if God is not a priority in our lives then we will not see Him as "pressing and important and needs be handled in a timely manner." We do not know when our last day on earth will be, that is why it is so important to be doing the work that God given us to do with every moment that He allows us to have. Take time to put God first in every aspect of your day.

And do this, knowing the time, that now it is high time to awake out of sleep; for now our salvation is nearer than when we first believed
