### Devotional

In the Bible, Deborah the prophetess provides something that disciples of Jesus need: concern for people not for success! Perhaps we should ask ourselves, "What is the greatest thing I can do while on earth?"

There are many worthy answers to this question, but at the end of the day it is to lead someone to Jesus! One starts in their immediate family and then to a larger circle. How? Having an attitude of caring and being conscious of our daily example is a good place to start.

Deborah had concern for people; she influenced them to live for God before and after battle. She taught those of real faith to step out at God's command even if it must be done alone. May we encourage others and be bold in our own opportunities. Be a leader to someone today, give them a smile and a word of encouragement - the power of God will follow!

### Today's Reading

**Luke 24:1-9**

**1** But on the first day of the week, at early dawn, they came to the tomb bringing the spices which they had prepared. **2** And they found the stone rolled away from the tomb, **3** but when they entered, they did not find the body of the Lord Jesus. **4** While they were perplexed about this, behold, two men suddenly stood near them in gleaming clothing; **5** and as the women were terrified and bowed their faces to the ground, the men said to them, "Why are you seeking the living One among the dead? **6** He is not here, but He has risen. Remember how He spoke to you while He was still in Galilee, **7** saying that the Son of Man must be handed over to sinful men, and be crucified, and on the third day rise from the dead." **8** And they remembered His words, **9** and returned from the tomb and reported all these things to the eleven, and to all the rest.
