## Devotional

Passing the salt and turning on the light are common actions. We usually do both without thought. Though small and seemingly insignificant, both make a difference.

Salt disappears a few seconds after it is sprinkled on food. Yet, it fulfills its purpose by enhancing the flavor of the meal. Light does not disappear - it scatters darkness.

Matthew says, a lamp is not to be put under a bowl, but on a stand so it can be seen, to guide and illuminate.

We are called to be the salt of the earth and the light of the world. Salty Christians working behind the scenes are quiet and unseen, yet influential. Other Christians, more like light, are visible, out front teaching and leading.

Whether by nature you are more like salt or light, the purpose is the same. To praise our Father in heaven! When salt enhances food, the food is praised, not the salt.

When a light is turned on, what is revealed is noticed, not the light. Our purpose is to praise and glorify God, not ourselves.

Remember your purpose the next time you pass the salt or turn on the light, and glorify God.

## Today's Reading

**Hebrews 12:1-3**

**1** Therefore, since we also have such a great cloud of witnesses surrounding us, let's rid ourselves of every obstacle and the sin which so easily entangles us, and let's run with endurance the race that is set before us, **2** looking only at Jesus, the originator and perfecter of the faith, who for the joy set before Him endured the cross, despising the shame, and has sat down at the right hand of the throne of God.

**3** For consider Him who has endured such hostility by sinners against Himself, so that you will not grow weary and lose heart.
