Today's Reading

Genesis 11:1-9

1. Now the whole earth had one language and one speech. 2. And it came to pass, as they journeyed from the east, that they found a plain in the land of Shinar, and they dwelt there. 3. Then they said to one another, "Come, let us make bricks and bake them thoroughly." They had brick for stone, and they had asphalt for mortar. 4. And they said, "Come, let us build ourselves a city, and a tower whose top is in the heavens; let us make a name for ourselves, lest we be scattered abroad over the face of the whole earth." 5. But the Lord came down to see the city and the tower which the sons of men had built. 6. And the Lord said, "Indeed the people are one and they all have one language, and this is what they begin to do; now nothing that they propose to do will be withheld from them. 7. Come, let Us go down and there confuse their language, that they may not understand one another's speech." 8. So the Lord scattered them abroad from there over the face of all the earth, and they ceased building the city. 9. Therefore its name is called Babel, because there the Lord confused the language of all the earth; and from there the Lord scattered them abroad over the face of all the earth.

CHURCH FAMILY

Children's Christmas Party- Immediately following today's service, downstairs in the fellowship room. There will be pizza, crafts, and filling of the senior bags.

Thank you- To all that made the Christmas party a success. Thank you to all who brought gifts for the bags that will be given out to the seniors. It was a wonderful evening of fellowship and food!

Thank you- I am deeply touched by your kindness and prayers during my surgery and recovery. Knowing that I was on your prayer list and receiving your thoughtful inquiries brought so much comfort and strength to my heart. Your care & compassion have been a true blessing and I am grateful for your support during this time. With heartfelt thanks - Pinch Lee

PRAYER LIST

Gary Adams- (David and Sandy Hogins' friend) Honoring Gary's wishes, there will be no visitation and no services held. A celebration of life was held on September 21st, the anniversary day of his birth. Please keep David and Sandy in our prayers as they mourn the loss of their friend.

Kase Purdue- He is on his 5th transfusion. Blood counts are still low as of now. His ANC is at 216, low but it is going up, which is encouraging. He is feeling tired, out of breath, and looking pale. He is doing what he can to eat to keep his strength up. Prayers and words of encouragement are appreciated.

Vicky Terhune- A cancerous lump was found in her lung on December 6th. If the PET scan is clear she will not need chemo, or radiation treatment. Upon fixing spinal issues they were able to detect this problem early before it became worse. Prayers and praise that the doctors were able to detect and treat the cancer early.

Mark Schierling- Had a check-up on Wednesday, December 11th. He went back to work on Thursday. Praise God for a speedy recovery.

Kiley McCoy- She is still suffering from headaches, she is on pain medication and still waiting for her sleep apnea tests.

David Worman- Will undergo cataract surgery on the 20th of December.

DEVOTIONAL

A Good Example

Max Patterson

Below is a story told by Hugo McCord. It is a true story, and one that warms the heart.

An Alabama girl, Catherine Laubenthal, and a Michigan boy, Ray Harshmann, both working for Uncle Sam, met at the Fourteenth Street church in Washington, D.C. On their wedding night they started family worship by reading and praying together. Ray and Cathy and their heavenly Father kept a rendezvous in reverence and joy.

When Ray went into the service of his country (WWII was breaking up homes), he and Cathy determined to pray for each other and each day, and to continue their regular schedule of Bible reading. In this way they would have the joy of knowing that, though miles apart, each would be reading the same chapter of Holy Writ.

MIA (missing in action) was the word from Europe to Cathy after the Battle of the Bulge. Grieved, hoping against hope, she continued her daily devotional, reading an agreed chapter. Dare she taste the thought that Ray might be alive? And might he be reading the same words? She continued to write letters to Ray. In all, 28 letters were returned to her stamped "MIA."

Thanks to a kind Providence, Ray was a prisoner, undergoing rough treatment and thin diet, recovering from frozen feet, but alive! And when two years had elapsed, they were united again. After Ray and Catherine kissed, they found that, when worship time came, they were ready to read the same chapter! Neither had missed a day in prayer and reading. A husband in Europe, a wife in America, and a Father in heaven – these three, miles and miles apart, yet so close together.
