#### PA'S PRAYER

There are many who pray eloquently for the poor and the destitute, who never think of lifting a finger to help those for whom they are praying. Such people should proceed at once to answer their own prayers. An incident is related of a company of people who gathered to pray for a family who were in great financial straits. While one of the deacons was offering a fervent prayer on their behalf, there was a loud knock on the door. There stood a sturdy farm boy "What do you want?" asked one of the elders. "Pa couldn't come so he sent his prayers in the wagon." Pa's prayers consisted of food and clothing. They stopped the meeting.

### Today's Reading

**Mark 10:46-52**

**46** Then they came to Jericho. And later, as He was leaving Jericho with His disciples and a large crowd, a beggar who was blind named Bartimaeus, the son of Timaeus, was sitting by the road. **47** And when he heard that it was Jesus the Nazarene, he began to cry out and say, "Jesus, Son of David, have mercy on me!" **48** Many were sternly telling him to be quiet, but he kept crying out all the more, "Son of David, have mercy on me!" **49** And Jesus stopped and said, "Call him here." So they called the man who was blind, saying to him, "Take courage, stand up! He is calling for you." **50** And throwing off his cloak, he jumped up and came to Jesus. **51** And replying to him, Jesus said, "What do you want Me to do for you?" And the man who was blind said to Him, "Rabboni, I want to regain my sight!" **52** And Jesus said to him, "Go; your faith has made you well." And immediately he regained his sight and began following Him on the road.

## PRAYER LIST

**Soren Patrick Morrow** was born to **Joseph and Tori Morrow** at 7:29am on March 3. Prayers for continued health for baby and for the new parents!

**Sheila Jimenez** has asked for prayers for her mother, **Julie Newman**. First off she thanks for the many prayers, they were definitely heard. Julie is back off the ventilator and was on 60L high flow oxygen and is now down to 3 liters this week. She continues on dialysis. A big hurdle now is the stiffness, weakness and pain from laying in bed, what will be a month on Sunday. They have started the search for LTAC (long term acute care) vs a skilled nursing facility.

**Bill Walker's** heart cath on February 27 showed no problems. Great news!

**Sonny Sidlo** is still recovering from his fall a few weeks ago. He's hoping to get into physical therapy to feel better.

**Jeannie Seals** will be undergoing some tests to see if she has the genes for Alzheimers. Keep her in your prayers.

**Bobbie Seals** had a growth removed on March 3. He has been told that as of now, he is cancer free. Prayers for continued health!

**John Foster** is undergoing tests to see what can be done to make the best of what lung function he has left. They are testing to see if a Bipap machine would help. Pray for some answers.

**Kay Wentz** started hospice on Saturday, December 10. Pray for peace and comfort for Kay and the entire Wentz family.

*Keep these people in your prayers.*
