## DEVOTIONAL

### Our Worth

Dave Maxson

With great pains I have provided for the house of the LORD 100,000 talents of gold...

1 Chronicles 22:14

How much is 100,000 talents of gold?

A talent is an ancient unit of weight that has been estimated to have been about 70 pounds! Can you imagine what 70 pounds of gold would be worth, and then what that is multiplied by 100,000?

I have and it comes out to be well over 100 billion dollars worth of gold!

So how much was the temple worth to David? A lot! Even to a king that's a lot.

The temple Solomon built with all of that gold no longer stands. It's been destroyed. But another temple stands today which is much more glorious than Solomon's. It is not a physical temple, but a spiritual one made of "living stones" (1 Peter 2:5).

As God's people, we are those living stones being "chosen and precious" to our God (1 Peter 2:4). We are worth a lot more to God than Solomon's temple, for we were ransomed "not with perishable things such as silver or gold, but with the precious blood of Christ, like that of a lamb without blemish or spot." (1 Peter 1:18-19)

So how much are we, as this spiritual temple, worth to God? We must be worth a lot. And in our case, the King didn't just empty his treasury. He gave up the most precious thing he had!

### Today's Thought

The longer the tea bag sits in the cup, the stronger the tea. The longer you sit in God's Word, the stronger your faith.

### Card Corner

Stamped & addressed cards for those needing encouragement are available on the table in the back of the worship room. Please pick up one or two today and let them know you're thinking of them.

Please contact Carmen Aufrecht with any changes or questions
