Isaiah 44-45 contains a prophecy that the temple in Jerusalem would be rebuilt during the reign of Cyrus. This prophecy was fulfilled in 538 B.C., as decreed by Cyrus. This was known as the second Temple, and was the Temple Jesus taught in. It is also the Temple the Samaritan woman referred to in John 4. Along with the Samaritan woman, we now understand where God's temple truly is - within us.

When Jesus prophesied that the temple in Jerusalem would be torn down and rebuilt in three days, He was referring to His body and His resurrection on the third day. Jesus told the Samaritan woman that worship would no longer be in the temple in Jerusalem, but in everyone's heart, in spirit and in truth.

The apostle Paul confirms this in 1 Corinthians 3:16: "Do you not know that you are God's temple and that God's Spirit dwells in you?" It is amazing to see so many threads woven throughout the Bible, culminating in God's plan for His people for eternity. The emergence of God's temple from a physical state to a spiritual state is one of these wondrous threads.

Why Church is Important!

Today's Reading

Acts 2:42-47 NASB

42 They were continually devoting themselves to the apostles' teaching and to fellowship, to the breaking of bread and to prayer.
43 Everyone kept feeling a sense of awe; and many wonders and signs were taking place through the apostles. **44** And all the believers were together and had all things in common; **45** and they would sell their property and possessions and share them with all, to the extent that anyone had need. **46** Day by day continuing with one mind in the temple, and breaking bread from house to house, they were taking their meals together with gladness and sincerity of heart, **47** praising God and having favor with all the people. And the Lord was adding to their number day by day those who were being saved.
