Today's Reading

Matthew 9:11-13

11. And when the Pharisees saw it, they said to His disciples, "Why does your Teacher eat with tax collectors and sinners?" **12.** When Jesus heard that, He said to them, "Those who are well have no need of a physician, but those who are sick. **13.** But go and learn what this means: 'I desire mercy and not sacrifice.' For I did not come to call the righteous, but sinners, to repentance."

PRAYER LIST

Gary Wiles- Is home and doing well. He will continue with PT until his doctor is satisfied with his progress.

Cindy Houtz- Rehab is going well; each week, they get a little more aggressive, but she is working through it despite the pain. She has just finished her 4th week of rehab!

Beth Schmidt- Beth will have an endoscopy done on Tuesday, January 13th. Please pray that the procedure goes as planned and they are able to find answers for the pain she has been enduring.

Gary Williams- (Barb Richardson's brother) Had an appointment with his doctor on Friday, January 9th. Everything is progressing nicely. He is doing well with his recovery.

Mix Family- The court proceedings for custody of Brendan and Lily on January 9th didn't have the outcome we had hoped for. Chuck and Ramona were not able to bring the children home with them the day of the hearing. Please continue your prayers for our brother Chuck and sister Ramona, and their grandchildren. Decisions are still being made, may they be swift and merciful.

Elies Santamaria- (Grandson to Pete and Lynn Tidei) Answered prayers!! He is back home and doing well! Praise God, and thank you for your prayers.

Butch Hogan- (Barb Richardson's friend)- His three-hour surgery was successful on Tuesday, January 6th, to remove a large kidney stone. He will go back to have another stent removed in 3 to 4 weeks. He was dismissed from the hospital on Wednesday, January 7th, and is recovering at home.

Kase Perdue- He is back home and enjoying his time with his friends and family. His doctor may still be looking at clinical trial medication; this is the eleventh-hour push to help try to slow down the growth of the tumors. Please keep his family in our prayers. Every day is counted as a blessing that he is still with us.
