DEVOTIONAL

“Revolutionary love is a well-spring of care, an awakening to the inherent dignity and beauty of others and the earth, a quieting of the ego, a way of moving through the world in relationship, asking: ‘What is your story? What is at stake? What is my part in your flourishing?’ Loving others, even our opponents, in this way has the power to sustain political, social and moral transformation. This is how love changes the world.”
